

Statement

The Hon Daniel Andrews MP
Premier

Monday, 28 March 2022

STATEMENT FROM THE PREMIER

After developing mild symptoms this morning including a sore throat and mild temperature, I undertook a rapid antigen test.

I have tested positive to COVID-19 and will now isolate for the next seven days.

So far, Cath and the kids have tested negative. As they are close contacts, they will also isolate for the next seven days.

Deputy Premier James Merlino will be Acting Premier until Monday, 4 April.
