## APPLICATIONS OPEN FOR PREMIER'S SPIRIT OF DEMOCRACY TOUR

The Andrews Labor Government is encouraging Victorian school students to open their minds and channel their inner Greek philosopher for the chance to embark on an immersive study tour and deepen their understanding of democracy.

Minister for Education Natalie Hutchins today announced applications for the 2022-23 Premier's Spirit of Democracy study tour are now open to secondary school students currently in Years 9 to 11.

The competition gives 22 students from government, Catholic and independent schools the opportunity to develop a greater understanding of civics and citizenship, including the role ancient Greece has played on the origins of Australian democracy and, in turn, helped shape and influence contemporary society.

Students will be encouraged to share their experiences and new perspectives with their peers and wider school community upon their return.

The Premier's Spirit of Democracy program maintains strong links to learning outcomes from the Victorian senior secondary curriculum and will appeal to students with an interest in civics and citizenship, history, philosophy, legal studies and English – as well as those with a broad interest in developing leadership skills.

The week-long study tour will take place in Victoria and the Australian Capital Territory from 13 to 19 April 2023, during Term 1 holidays.

To enter, students must respond to a statement exploring the ability of young people to drive change by drawing on the ideas of classical Greek thinkers and reformers, such as Cleisthenes and Solon.

Students can submit their entries in a range of formats, including an essay or creative writing piece, audio or video presentation, musical composition or artwork.

Applications close on Sunday 16 October. For more details or to enter, visit [go.vic.gov.au/36jjQZ](https://go.vic.gov.au/36jjQZ).
