LIBERALS' CUTS COMMISSION

I've received a request to establish the Liberals' cuts commission.

Liberals want the Labor Government on board to make their cuts ideology appear less extreme.

We will not join their frontline cuts squad.

We will not be a part of cutting schools, cutting TAFE, cutting hospitals and cutting free fruit Friday - which is what the last Liberal cuts commission handed down.

We will not sit with former Liberal treasurers who made those cuts, either.

We stand with people, not cuts.

We fund frontline services, not close them.

That's the choice Victorians get to make - this time next year.
