MORE GREAT SCHOOLS NEAR EVERY FAMILY

The Allan Labor Government is delivering more school options close to home, making life easier for families.

Deputy Premier and Minister for Education Ben Carroll this week announced school zoning information for 2027.

Enrolling children in a great local school is also easier thanks to the Labor Government.

The updated Find My School website gives families the certainty they need to enrol in a great local public school.

It includes the updated school zone for Aintree North Primary School (interim name) opening in 2027 and adjustments to 11 existing school zones.

As enrolment begins in early Term 2, the updated website will give families the most up to date information.

Schools can be found by typing in a residential address or searching by school name or categories such as primary, secondary or specialist school.

The 2026 school zones are still online and can be used for any further enrolment decisions for the 2026 school year.

All school enrolment zones are reviewed annually to reflect new schools opening, changing provision at existing schools and enrolment demand.

Victoria has the largest school building program in the country.

Labor has opened 121 new schools and completed over 2,300 school upgrades.

This includes 19 brand-new schools which opened their doors for the 2026 school year.

This is the highest number of schools ever opened in one year, with enrolment places increasing by more than 11,000.

More information can be found on the Find My School website www.findmyschool.vic.gov.au

Quotes attributable to Deputy Premier and Minister for Education Ben Carroll

“Local public schools are at the heart of Victorian communities – that’s why we’ve delivered 121 of them so kids can learn in a great school close to home.”

“By delivering state-of-the-art local school facilities, Labor is making sure families have supports around them they can rely on.”
