## 10 QUESTIONS JESS WILSON MUST ANSWER

Following media reports about a Liberal MP making a complaint to Victoria Police about the conduct of another Liberal MP at a community event, these are the questions Jess Wilson must answer:

When was she first made aware of this allegation?

Has it been referred to the Parliamentary Integrity Commission?

Did she or her office refer it to the Parliamentary Integrity Commission?

Did she or her office refer it to Victoria Police?

Has she spoken to those involved?

Is one of, or both MPs involved a member of her shadow cabinet?

Does she think it's appropriate for a member of her shadow cabinet to be in shadow cabinet when they are the subject of a complaint to police?

Does she think it's appropriate for a member of her caucus to be in the party room when they are the subject of a complaint to police?

Did any members of parliament witness the incident?

Does she agree that these allegations are "completely fictitious"?
