DELIVERING A GREAT LOCAL SCHOOL FOR CRANBOURNE SOUTH

Cranbourne South families will get the great local school their kids deserve, with a re-elected Andrews Labor Government to deliver a massive upgrade to Cranbourne South Primary School.

Labor will invest \$5.9 million to completely refurbish and modernise classrooms and facilities in Block A, and upgrade the car park and playing fields.

The Liberals didn't spend a single cent on Cranbourne South Primary School and slashed \$1 billion out of our education system, leaving schools to crumble and decay across the state.

The Andrews Labor Government has already delivered more than \$600,000 for upgrades to Cranbourne South Primary School but there's more to do.

Only Labor will deliver the state of the art facilities students and staff at Cranbourne South Primary School need to achieve their best.

The Labor Government has invested more than \$3.8 billion to build 70 new schools and upgrade 1,300 schools across the state since coming to office in 2014.

That means thousands of Victorian kids now go to school every day and learn in new classrooms with better technology and facilities, like new gyms and science labs. It's also helped create 5,000 construction jobs for Victorians right around our state.

A re-elected Labor Government will keep delivering for Victorians with more new schools and upgrades to existing schools across the state.
